## Designed just for you

These easy-to-use robots intelligently adapt themselves to any pool, to achieve the best possible results for the specific pool shape and surface type. Enjoy their friendly design and simple operation – created with you in mind.

**Choose the highest performing robot that's right for your pool:**

### Dolphin S 200

Advance to a new pool cleaning experience with this top-of-the-line robot that brings even more ease and freedom to the advanced capabilities of Dolphin S robots.

### Dolphin S 100

Experience superior pool cleaning with this advanced new robot. With its ultra-light weight and quick water release, Dolphin S 100 is super-easy to handle.

### Dolphin S 50

Dolphin S 50 is the introductory robot by Maytronics – bringing you all the benefits of more than 30 years of experience in robotic pool cleaning. All swim, no work. That's the life for you – with the Dolphin S 50 robotic pool cleaner.

Starting in 1983, we pioneered automated electronic pool cleaning technology. Today, Maytronics remains the market leader, continually setting new standards for technological innovation, design and reliability.

In everything we do, we strive to make pool owners' and users' lives easier and more enjoyable. Our goal: to enable an exceptional experience of a pure, clean, safe and relaxing pool.

## *Enjoy an easy and relaxing pool cleaning experience.*

Dolphin S robots are designed by Maytronics to do all the hard work – providing incredible cleaning performance and efficiency.

### **Leave it all to a Dolphin S, and enjoy:**

#### *Effortless operation*

- Top-access filtration system – with quick, no-mess emptying and washing
- Lightweight, easy handling
- Fast, debris-free water release

#### *Crystal-clear cleaning results*

- Multi-layer filtration with fine and ultra-fine dirt capture
- Active brush rotates at 2x the speed of the robot, resulting in enhanced cleaning capabilities
- Complete coverage of all pool surfaces – with PowerStream mobility system
- Self-learning robot adapts to the pool shape and surface for optimal cleaning results

#### *Peace of mind*

- Proven reliability – made by Maytronics, the world leader in robotic pool cleaners
- Certified ISO9001 quality standards

## *About Maytronics*

Nobody knows robotic pool cleaners like Maytronics – the company behind the top-selling Dolphin robots. For more than 30 years, we have been developing robotic cleaning solutions for all swimming pools.

# Superior pool cleaning made easy

PowerStream Mobility System - enhanced navigation \*

Active Brushing

Multi-Layer Filter - highly efficient clog-free filtration \*

Patent-pending multi-directional water flow ensures constant grip on all types of vertical surfaces, for efficient cleaning along walls and waterline and enhanced navigation control.

Active brushing delivers effective scrubbing and cleaning. The active brush spins at 2x the speed of the robot to scrub fine pool surface debris, leaving pool water clean, clear and healthy

Simultaneously separates and filters rough, fine and ultra-fine dirt, for highly efficient, clog-free filtration. Snaps apart for super-easy cleaning.

\* Depending on model

Lightweight, ergonomic design makes handling and storage of the Dolphin hassle free!

Fast clean-water release makes removing the Dolphin from the pool so easy!

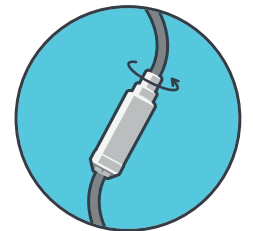

Dolphin's swivel cable eliminate tangled cables forever! As your Dolphin moves around the pool, the swivel ensures that the cable stays free and clear, allowing for complete pool coverage.

Lightweight - easy to lift and handle

Quick Water Release

Swivel - cable tangle prevention system \*
